

Portable Work Table WX066

SAFETY INSTRUCTIONS

⚠ WARNING: This product can expose you to chemicals including lead, phthalate or bisphenol A which are known to the State of California to cause cancer, birth defects or other reproductive harm. Wash your hands after use. For more information go to www.P65Warnings.ca.gov.

⚠ WARNING: When using this product, always follow basic safety precautions. Failure to follow all instructions listed below may result in personal injury.

Read all instructions before attempting to operate this product. Save these instructions for future reference.

1. Keep work area clear and well lit.

- Cluttered areas can increase the risk of injury.

2. Make sure all moving parts are free from interference.

3. Ensure Sidekick™ is set up on firm, level ground and is stable.

4. Keep other people away.

- Do not let other people, especially children, not involved in the work touch the tool and keep them away from the work area.

5. Be aware of over-balancing.

When a large piece of material supported by the Sidekick™ is cut, the remaining piece may be heavy enough to tip over. Always ensure the work piece is well supported.

6. Check that locking knobs are securely locked and legs are fully extended, with tray flat before operating Sidekick™.

7. The tool must be used only for its intended purpose. Any use other than those mentioned in these instructions will be considered a case of misuse.

The manufacturer shall not be liable for any damage or injury resulting from misuse.

8. Never stand on this product.

9. Dress properly

- Do not wear loose clothing or jewelry, which can be caught in moving parts.

- Non-skid footwear is recommended when working outdoors.

- Secure long hair, or wear protective hair covering.

10. Use personal protective equipment

- Use safety glasses.

- Use face or dust mask when working operations create or involve dust.

11. Save all warnings and instructions for future reference. Refer to them frequently and use them to instruct others using Sidekick™.

If you loan someone Sidekick™, loan them these instructions to prevent misuse of the product and possible injury.

12. Do not use tools in damp or wet locations.

Damp or wet conditions prevent appropriate clamping pressure and grip on the work piece.

13. Check for damaged parts.

Before using the tool, it should be carefully checked to ensure it will operate properly and perform its intended function.

14. When not in use, tools should be stored in a secure, dry place, out of the reach of children and unauthorized usage.

15. Warning

- The use of any accessory or attachment other than those recommended in this instruction manual may present a risk of personal injury.

Unlock

To use Sidekick™, open the legs fully and put the table on the legs. (See Fig. 1) Rotate the locking knobs as shown to secure the legs to the table. (See Fig. 2)

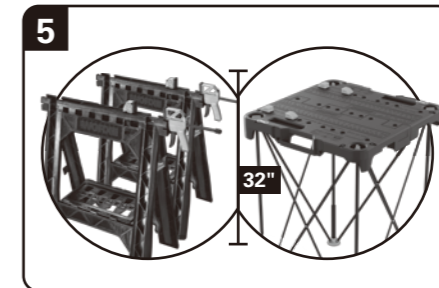

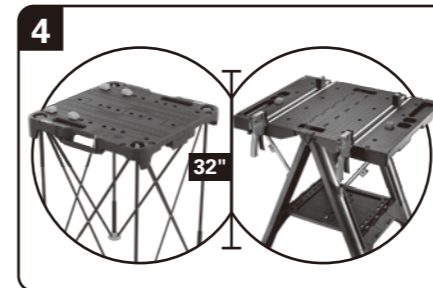

NOTE: Before using, check that the table is horizontal and all locking knobs lock securely.

Use the recesses for storage. (See Fig. 3)

If desired, Sidekick™ is compatible with other WORX® support products. (See Fig. 4, 5)

To carry Sidekick™ safely, only transport when folded. Remove the table from the legs, collapse the legs and put inside the folded table top. Latch close with the two included link locks. Carry the table by the handle, close to the body. (See Fig. 6)
